Wild Beard witchy Carnival Session 0 2/3

Witchlight every 8 years, snuck in as a child, faint memory feel sense of loss, feel a return of that sense of loss again just recently. Owners Mr. Witch + Mr. Light were not helpful. "Every visit has its cost," with the return feel ourselves heading in and standing there without consciously thinking why we were there. feel that some sense of loss with other (party).

Bothered outside of the carnival, saw a group of kids trying to sneak in, "Octaway being" provided them cover to sneak in

"Northwind"

Saw a big treat walking around with his squirrel friend Savirall is named Red.

Caught sycamore seed.

Savirall says he can make a wish get a d8 to add to ability check before dawn.

~~Vira is th~~

went to visit Dirtyon, displacer beast, in lost + found. She did not have peach collar. Little boy tried to take mirror ball, Dirtyon snapped at kid, grabbed ball and kid ran off. Kid name is Vira. Looked for kid but did not see him on first look.

Wild Beyond the Witchlight Session 0 3/3

Ran into Northwind, the front, Mr Witch & Mr Light were not the original owners, they're not even from the Feywild. Mr Witch's watch is magical. Carrival cannot run without it.

Spent the sycamore seed. Kid returned to Dirlygon She gave ball so that we can find the star.
