Packet of Pixie Dust

PIXIE DUST

As an action, you can sprinkle this dust on yourself or another creature you can see within 5' of you. The recipient gains a flying speed of 30' and the ability to hover for 1 minute. If the creature is airborne when this effect ends, it falls safely to the ground, taking no damage & landing on its feet.

A small packet holds enough dust for 1 application.

1 application of magical face paint X2
disguise self
1 more wand of prestidigitation

Wild Beyond the Witchlight. 9/15 3/5

Turbo was being dragged into hall of illusion by strange frog creatures. Entered initiative Dystar slept through her.

Kettlestream appear to tell us that another kid is in trouble in the hall of illusion.

As we went into hall of illusions and see ourselves as a child and see ourselves age over time in mirrors.

On our way in; saw the little girl has goobar. She told us to walk away. Chris chased after but mirror was solid object.

Returned to talk to Lornings. Found out that they are minions of Baulorna. They say that they take some others come willingly they only take those that they are instructed to take.

Big top ~~event~~ event started, crowning of the monarch event.

Dystar got crowned the monarch.

Down convinced Kettlestream to return the voice she stole from Candlefall.

Mood went up to the top. It was like bar, with light arrive and head to hall of illusion.
