

11/3/22 Wild Beyond the Witchlight 1/2

Pick up after a week.

We talked to hell to see if we to track down the creature in tunnels.

"Let's give this mountain an ~~AI~~ enemy"

"Who's taking enemy and who is taking point."

Fought Moonlocks (w/ lair action) who were breaking keys. There was some lair action happening during.

We returned key to Jingle Jangle who helped us free Sir Talaver who gave us a +1 dagger w/ cast heroism

We leave on the water in a raft:

Saw a vision in the water around the raft
Headless child sized scarecrow trying on new heads of random things, finally decides on a large gourd.

Gloop saw rows of rows of severed bullywug heads were all impaled on spikes and chattering with each other.

In downfall vision is reduced due to fog.

Saw Bullywugs. Introduced ourselves and were told to speak to King. "Vf junk sends his regards." Mystr disguised as a Bullywug

11/3/2022 Wild Beyond witchlight 2/2

Ran into balloon factory which was on fire.
Little alive coals setting fires. Mylar
claiming to be junk and put out fire
in balloon factory.

Poke who owned factory explained that wiggle was and
~~Margart~~ stole coals from Bawberna, now they
got fire to factory. ~~Margart~~ in jail.

The Great Greaser is the Bullywag god.

Came upon the clattering heads from Gloop's vision.
Mi was the one that could lead us out of
the realm. Clapperclaw lost his stag head.
If we get his head back he could help us get out of here.
Wall of heads were former rulers, all agreed that
King Gellum in Pit is weak etc.

We ended it at this part
