

Wild Beyond the Witchlight 11/17/22 1/2

Mrstar had a vision from the actual Great Creaker who enabled him to turn in to a frog and summon tentacles.

went into adjacent room which was a meat locker. Inside was a chest radiating cold. Chris opened it and inside was a beating heart. Dawn identified it as an elf's still beating heart.

We took heart with us.

Room filled with racks filled with pickling jars. Found a campestri who was in a jar. The y named it Picktor.

There was a balcony with three cages inside one of the cages was a Satyr. Got the Satyr out of the lock. His name is Varse!

Next room is a distillery. Mushroom based alcohol.

There is a portal to the witchlight. The word may be "Spittle spew"? or Banderstick?

The Being with Bawbarna is a shadow called Charm from a shop called Spitt Bubb, Trinkt, and Charm.

Dining Room has a secret Goblin head over each door.

Guest Room mummified pixies pinned. Shuckbox broken and contents missing.

Horror. Scores of portraits sad, scared, angry people
portraits are various sketches, paintings, etc. mirror-
hungry just before stairs

Smile in the mirror opened a secret door to
an L shaped passage. As we go down the
passage everything "grows." (we are shrinking)
we are 1/20 size Door held closed by
a steel needle opened door

Next room is a study - two creatures. Dark
woman having tea with Paulina?
Toadlike woman with bulging eyes
Room is filthy Dirty dishes and food and stink mold...
Tall lean woman does not leave a shadow.

Used spider climb to get to attic and 60nd bedroom.
Ball of light approaches Chris.

Dawn opened door by kicking it down, there is
a dying burning in the room and a shadow.

We fought the shadow while Dawn reached into the
trap mouth. She got her recipe.
