Room had frog, porcelain jar with chicken legs
helmet on a wooden mannequin

Mystor took helm off of statue and it attacked,
then put his own hat on it and it stopped.

Helm of telepathy
Message from the wishbone:
Skabilla forgets the first creature she sees
when she wakes up.

Her memory of it returns each night when
she sleeps. A creature forgotten by her
left is invisible to her.

Left the house
There is apparently a competition between Bullywug
King (Holy King),
Baroness the Lady of the Slime and
Croakwald the Overcroaker.

Preparing to battle to the death to get who
should be king at the proving grounds.

Mystor appeared as Great Croaker to stop plot, then
went to Bullywug Prison.

Released Muzwort and talked about stealing a
balloon to attack Harensen Bandik.

The serpent that killed Wiggles may
be the Jabberwock.
we picked up Snoodle the baby alligator

Wild Beyond the Witchlight 12/1/22 2/2

Took balloon to the horngon tree

We took out the guards, went inside and
saw a log book of who paid the toll must
names: Hurley, Vansel, Octavian, Alister, Sirt-hwar,

We fought and killed a bunch of horngon
and ended it after first room.
