

Wild Beyond Her Witchlight

2/9/2023 1/2

Returned after absence. Recap that we did not trust "Nobody" but we would be willing to explore self help wizard book + Adventure Star course, d'loers, Kankenstein brain.

Down the Bear

where Goldilocks locks the Bear.

The key sped through the thorns fast as a hare as he whistled a tune and ran backwards.

Yarnspinner probably went through the ~~door~~ secret door in Classics.

Classics Carlotta's web.

where the Campesit's sig. found an unlit midnight candle.

Lord of the Tenebrings.

Went through the secret passage and found a book that talked about Myster + Bird Found Book about Dawn and Cupcake contest. Warlock named Arael. Found Book about myself and Snail saved me.

See Nobody pick up a book

Nobody destroyed the Tale of Greenheart

wild Beyond the wicklight .. 2/9/2023 2/2

After reading books we regained our memories.

We chased after nobody (tunnel into a racing  
sawail to catch)

Yarnspinner caught us. We fought nobody /  
Yarnspinner until my star threatened books.

Yarnspinner agreed to let us go if we  
gave him a tale that he didn't know

Chris told the story that he got created  
to Yarnspinner. (31 ~~with~~ performance from Chris)

YS mulls over the story, accepts it, disappears into mist

#### MIDNIGHT CANDLE

*Wondrous Item, common*

While holding this candle you can cause a harmless flame to appear on its wick that sheds bright light in a 5-foot radius and dim light for an additional 5 feet. When you cause the flame to appear, you may designate up to ten creatures who are able to see the light from it.

They Bashed his brains in

Yarnspinner came back, the real one, to  
and apologized. And gave us slippers or  
spiderclimb and explained that his domain  
had merged with Prismen and will work  
on getting unmerged to free from corruption  
to become Ghost YS. And we leveled up.
