

Wild Beyond the wightlight 3/2/23 1/2  
went onto the neverland's ship.

Saw redcap swabbing deck he threatened us  
but Chris talked him into letting us onboard  
his name was his name.  
He led us to Big Red. He had a head for  
a hand. Messy deck.

Big Red denied having the kids  
wanted us to kill ~~alligator~~ <sup>crocodile</sup> + to tell him  
place of noogin.

We agreed to talk to ~~alligator~~ <sup>crocodile</sup>, he looked  
m. we got about by crocodile.  
Chris released croc to main deck

Crocodile ate Big Red, dropped spear in to him  
Got key, freed oil can, pixie displacer - within

Left, found cart with awnings  
(squirt) (Bda) (star)

"Gordlin Dibs fine confections"  
Pair of goblins pale head out.

Traded Goodberry for candy, Curious what it  
might be like. They are set up in goblins  
market in Loomlurch.

Concerned about Chucklehead's they say  
his head went off ever since his had  
replaced with a toffee apple.

They sell treats like beetles and ants and worms.

Wild Boy and the witchlight, 3/2/23 2/2

Churchle had had crisis of faith and  
gone soft and wants to make candy and  
protect the children.

Attacked by a mound of flowers (shambly mound)  
Defeated them, individual flowers popped out,  
they dropped an amulet or lucky numbers.

ended it here, on our way  
to Little oak
