

Wild Beyond the Witchlight 3/9/23

1/2

Made it back to the Gateway gang

Morgan = Will

Gave candy to kids. Had different effects.
One kid fainted, one kid grew, star had
music factoids. Calmer kid

Zone of Truth, questioned he was an owl
named that working for Sashita and
trickled kids he was cursed by Endwyn
or blessed and change of heart.

His plan was that Bela the pixie would free
and protect children Will would infiltrate
we would go in market and make presence
known, and get audience.

To get attention we would prepare most valuable
fertilized known. Got 10 lbs each of
Jabberwock dung.

Approached owl that was distressed and harnessed
approached owl and seemed calmed by
an owl handling (27) calmed down.
Her owner was carried off by a big flying creature.
Her harness had name "Juniper."

Went to Terrace town. Met Mayor Lobana Mossypants.
Offered candy which also had various minor
magical effects

Wild Beyond the Witchlight 3/9/23 2/2

They've been feeling disconnected since mists rose. was looking for Traberise. They have been looking for a way to get to the floating isles, which they cannot do like the sea folk.

Goblin poked his head in, his daughter was taken by Skabitha.

Contingent of ^{toad} soldiers and animated drum marching about the town.

Fought soldiers, as they died, some exploded, caught buildings on fire, fought the fires.

Got a pocket of pixie dust for saving buildings and got a story award "Saviors of Pixietown" (advantage on charisma with Goblin town.)

— Ended it here —
