

Wild Beyond the Witchlight

At 1/13/23. 1/1

The Loomlurch on fire as we leave, but hear a large angry creature in that background to the north. The direction that will lead the way to

Summoned Great Eagle, ~~That~~ Azrael & Myster chased it down, turned out it was Jabberwock chasing down will. Myster casted Psychic Lance and then the wisely GTFB.

Myster seems to be acting depressed. Azrael tried to strip search to see if he could figure it out. Myster was angry after but when he got on the tonic he became apathetic again.

Conversation didn't reveal anything but will noticed that it was an odd color Different than robe. It was different color to someone who looked at it. The spot had SN initials.
"Skab the Nightshade" Identify shows it as
"Dread thread" as the color of frustration and self-doubt.

Return to Littlelake. Question where all of the kids had gone. Kids were back at the camp.

Myster plucking thread out of cloak, lute was missing, Red Balloon floated by hauntingly.

Fought Boggles who had kidnapped outbound, P.C., lute, boat, etc. Recovered them.

~~Myster~~ Ended it there.
