we went next to Flint. (took a long rest)
Saw two Korreds fighting. Mystar charmed them found out they were sleep deprived. They told us to go talk to Budoc (the leader). He told us that we needed to quiet the briganoches that made noise that interrupted sleep.

Searched and found that it was little creatures called mites. They enjoyed irritating people. Dawn made noise and led them into metal cages. When cages covered they went back to sleep.

went next to Basalt. Saw Korreds including Yana, the leader. The ground rumbled. She said that Gargonach the Korred and friends went off and had not returned.

went to rescue them. Investigated house and saw map to the Briganoche mines.

Went there saw a river of lava. On an island we saw kids covering from a pair of salamanders talking them. Turns out salamanders were looking for their eggs. Kids ~~found that~~ from obsidian clan taken them. Returned kids and eggs - had

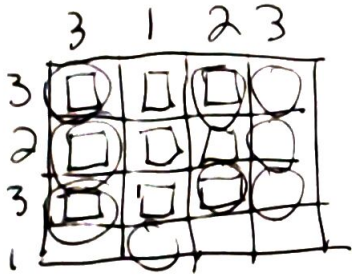

heard that there was a dragon shrine that had bloodstones. Shrine was laden with glittering gem stones.

went next to the marble family. went to campsite with many ~~statues~~ statues. She declined to fight. They were artists and not involved. The kids dragged Dawn to the side and talked about gathering materials.

worked with the kids to make a statue that mocked Endolin. She was ~~manipulated~~ controlled as a marionette by the Ellipse and she did thriller dance and feed her pants. with that we convinced adults that if the kids can be inspired, they should too.

went to State clan. when her mother passed away Myzelda became in charge of state clan she is in ~~charge of~~ on board with joining but she is not sure of her ability. Puzle to get item out. Myzelda sees an

inscription that you should always lead by example. She gifts the pendant to partly to lead by example. We gave to Jingle Jangle since it can confer few effects.

finish off with Chuk

we see Jago with a look of concern on his face. He explains that they've been working on statues to put outside of Brismoch mines. Basilisk has mistaken them for niches. He had stomach issues. So we teamed up to help Basilisk empty his stomach.

— finished. There he got to reveal how he learned to manipulate
