

Wild Beyond the Whirlwind 5/11/23 1/2

Woke up from Reel and they made statues while we slept. Argantle suggests that there is a secret tunnel into Motherhorn.

Mantle gains the ability to speak while in animal form + can polymorph into an owlbear. This was because we left the menagerie to be safe with Security Squawk

we were asked to bring stakes out in front of Korred cave.

Cyclops came and angrily demanded to have money back in Giantish. Myster explained that Dee was in love with Amidor. He asked what is love Mudlump asked if Myster could help him find love. Polencella says that he wasn't a bad keeper

We approached Briggancea mines

we put stakes in front of mines

went in mines, heard pickaxes caused Dawn to fall asleep. Could not wake her up.

Briggancea ~~explains~~ talked to Myster when we caught them. Turns out that since we were going after Creeping Lynn they want to help. They took Gomo.

there was a human in the Briggancea Group. This one was named Molliver. Briggancea's think Korreds are working with Endolyn.

wild Beyond the witchlight 5/11/23 2/2

To make peace we would have to talk to Obud.
Obud lives across the Cavern.

Found 100' Gap across which was a truss bridge there
are purple lights across the way

Brigganack gave ~~the~~ ^{Angel} a wishstone that was
the wish at witchlight Carnival.

Brigganack told us that the cave was guarded
by a fearsome beast that sounded like
a purple worm.

We managed to crack the gooly eyes.

—ended here.
