We should work all together

We leave not to find the
a steamers house.

We come upon a cawled
figure that slips us
with a clocked wagon.
He pulls back curtains &
the wagon with point
Back drop of you.

See drop down from top set
of navigation, it is the
Party.

The scenes are from
Myster's point of view.
Changed when he gave eye
to Azebael.

At the end a ticket appears
that says good for 1 private audience
