

wild Beyond the witchlight 7/13/23 # 1/1

Took a long rest

myster wrote a letter + sent it. (unknown to most of us.)

Fought + dark mantle, put into lightning + it fled

We had several skill checks

Made it to mill. Inside many packages

People opened packages. Alchemy j's, bad doll, bag of magical beans, other traps. Tinie, tool + resolute

went into the next room. mattress wardrobe

mirror door, door was locked seems like it would lead to the outside.

wardrobe various clothes for a giant ~~with~~ bipedal creature  
mirror made myster look better.

Picture book of the moose snake and me.

letters w/ book - Sweet Boya (he had the darklingss/leaves a gift. Crank a day to keep the ... away. Hugs + teeth. Claws + kisses.

Door behind combination 1234. Magic stairs

teleport upstairs. Giant upstairs taking a dead giant crane from ...

Azrael try to crank it the other way.

Could not do it. The Giant shouted at

Azrael in Giant.

Convinced her that we were sent by Endlin and

that she needed to turn the crank the other way.

Sent to have mudlump see her on romantic mission
