

Wild Beyond the Witchlight 8/3/23

1/2

~~took~~ Put crown on "wrath" the iron hart.
turned into a golden crown of roses.

looked into room w/ warring goblins that were
frozen in time there was a paper thin person
that hid in the space between Rodicase's
servant's quarters,

went to marble tower. went to top has relief
depicting demons + humans.

In tower we found plum sized gems. Zubinanc;
desire to know what her enemies were up to.

And crystallized desire to ~~know~~ help the less fortunate.
~~the~~ ~~the~~ the crystallized carriage w/ glass
pegasi w/ key inside. Crime of opening
got us in. Ken started it. Left behind

Each door has an abakabaster vase w/ several
long stemmed roses that is a sign saying to be
one in common. ~~see table for~~ ~~we~~

each took one and entered.

From door w/ lion. B window out into lightning
storm. Lodes as if a knight thrown out
of tower w/ exploded stone.

went to the door that was unlocked (stay door)
room w/ cubicle. images of demons.
Changing room. floox + clothes.

Went next to the Bathing Room.
evidence of Jabberwocky.

Next room is the ballroom. Courtiers - frozen
around the cauldron

marble round table w/ high back chairs.

Tied off the Knight (Strongheart) to opposing
balconies for safety.

Wild Beyond the Witchlight 8/3/23 2/2
Went into a room with a floating sword. It talked
and told us that its name was Snicker Snack
Snicker Snack's scabbard, harlowlet, unicorn cloak.

Quill + feather in another room sheathed in flame
and a black book. Front cover Lion + Hart.
Inside is the name of the hourglass cover.
Last entries are League of Malevolence,
written in different handwriting. Pages
on quill are illusory and harrowing.

Ring of pillars w/ fae + demons on them, stained glass
window. Man sits on a throne. (w/ duke +
kidd soc, basilisks)

Stained Glass room outside + lightning
crumpling masonry

we wrapped up here.
